

Kehilat Chaverim

A welcoming cooperative where Judaism is celebrated

Kehilat Chaverim invites you to join us for the 2023-2024 year

Kehilat Chaverim is an inclusive group that was established in 1978 as an alternative to a traditional synagogue. Services, observances, and events are held in members' homes and public locations. We welcome people who wish to participate in Jewish culture and observance while offering support and friendship to one another throughout life's stages in an affordable and accessible community.

We operate as a true cooperative: our members design, organize, staff, and run all of our programs. The group's governance is overseen by a Steering Committee of 9-13 people. The group comprises approximately 70 households and welcomes Jewish, interfaith, and LGBTQ couples and individuals. Ages range from younger to ripe.

Because we are an all-volunteer group, we have maintained a low dues structure which has remained unchanged for many years. We will accommodate anyone who cannot pay all or some of the dues.

2023-2024 Membership Registration

Membership in Kehilat Chaverim requires active participation in the operation of the group. **At least one adult from each member household is required to sign up for and participate on a**

committee. If you cannot make this commitment, but want to remain part of our extended family, we welcome you to sign-up for our **mailing list.**

***Emeritus Status:** Members who have actively participated in the Chavurah for at least 10 years, but whose personal circumstances don't allow them to satisfy the work requirement of membership. **To apply for emeritus status, check the option below and a Steering Committee member will contact you.**
